

Gloucestershire Guild of Craftsmen

Apply to join the Guild – applications are always welcome from talented designer makers whose work is of a high standard. We welcome applications from both traditional and innovative makers who experiment and expand the boundaries of their work.

For further information please contact the Guild Gallery or log on to www.guildcrafts.org.uk to download an Application Form.

Benefits of Guild membership include:

- the opportunity to exhibit and sell work in at least two major Guild exhibitions per year
- the opportunity to display work in Guild showcases throughout the county
- mutual support of a member led organisation of professional makers
- Mentor scheme for new Associate Members and opportunities for continuing professional development
- a membership structure that allows high standards of design and craftsmanship to be maintained
- Bryant Fedden Award bursary scheme for makers at the beginning of their professional career as a designer maker
- the opportunity to show work in the Guild's permanent Gallery in Painswick
- low rates of commission on sales
- promotion of members' work through our website www.guildcrafts.org.uk
- inclusion in the Directory of Guild Members
- links/partnerships with other crafts/arts/education organisations in the South West

Selection for Associate Membership takes place three times a year by a small committee of the Guild's full members.

After two years exhibiting as an Associate Member you can apply for Full Membership of the Guild
